

Welcome to the Pershore Plum Festival

Background

Pershore is extremely proud of its plum heritage with the Pershore Plum Festival the ultimate celebration to the fruit which has made the town so famous. The town turns purple in August, contributing to making this quirky, unique event attract thousands of visitors year on year. Having been awarded the best Festival & Event award in Worcestershire 4 times, you are trading at a quality established event.

On the August Bank Holiday Monday, the Plum Festival culminates with the Fayre Day, with a wealth of activity and entertainment spanning the entirety of the town centre. Exhibitors are an integral part of this day, and we invite you to apply to trade at a central footfall haven between the High Street and the beautiful Abbey.

For 2019, we are pleased to also be offering the additional location of Abbey Park. Located close to the Food Village, bandstand and Plum Fun Zone, we're expecting it to be a hit!

The festival is organised by a dedicated and enthusiastic committee featuring many volunteers. Everyone is determined to put on a show for the masses to enjoy, the businesses to prosper, and visitors to return year after year.

Why come?

The benefits of exhibiting at the Pershore Plum Festival include:

- A potential customer base of over 20,000
- Inclusion on the increasingly popular website
- Use of the highly recognisable festival logo

Guidance notes

- The Plum Festival welcomes applications from all business, charities and groups.
- The town's prosperity is at heart – if an applicant may be a significant threat to the existing town businesses, we may have to decline offering a pitch.
- Please be specific on your products sold, to avoid an excessive number of stalls selling the same.
- Try to incorporate plums and/or purple into your products.
- We are unable to accept exhibitors who do not possess public liability insurance or who fail to complete a risk assessment.
- Fees are for the ground rent only, no equipment will be provided.
- We encourage exhibitors to obtain weather insurance as this event is primarily outdoors and visitor numbers have proved to be affected by weather conditions.

Hot food caterers are not permitted within this area – applications should be made for the Food Village.

Trade Stand Locations

The prime trading area at the Plum Festival fayre day is "Plum Bazaar", featuring pitches on St Andrews Garden and Church Walk, between the High Street and the Abbey - a highly visited area throughout the day. For 2019, exhibitors have the option of trading on Abbey Park.

St Andrews Garden pitches are set on grass and may be up to 60m from the unloading area. Exhibitors should be mindful of this when deciding what equipment to bring. Steps or a slope also need navigating to access the gardens from the road.

Church Walk pitches are set on hardstanding and have immediate access from the unloading area.

The new Abbey Park location will be set on grass and will have vehicular access directly to the pitch.

A few volunteers are on hand to help with the initial unloading but will be spreading their resources across all exhibitors on arrival.

We consider there to be 3 categories of exhibitors that may wish to attend: businesses, charities*, and not-for-profit**.

When assigning pitch locations, every effort is made to mix all categories together to not isolate a particular section or provide competition in close proximity.
