Welcome TO THE AWARD WINNING PLUM FESTIVAL

Visit
Worcestershire
Awards for Excellence 2018
Finalist

On behalf of Pershore and its Festival Committee it is my great pleasure to welcome you to the town for this unique event.

Pershore Plum Festival celebrates the humble fruit that has made this town so famous. We are delighted to provide you with free events and activities throughout August – all of which are associated with plums, or are purple and yellow! There is definitely something for all the family.

One of the exciting new features of this year's event is that **Saturday 11 August will be credited as National Plum Day** – the day when Pershore leads the UK in the celebration of the plum.

This programme is a comprehensive guide to new events and old favourites and we are extremely proud that especially over the **Bank Holiday weekend**, amongst many other valued supporters and sponsors, we welcome "MigLoo" – an accredited Changing Place for those with profound disabilities and complex needs. This facility offers FULL social inclusion and caters for everyone.

The continuing success of this event has to be contributed to the dedication, support and hard work of a small group of volunteers who make it all happen, and of course to all the local businesses and organisations who support and sponsor our Festival. Massive thanks to everyone and especially to YOU for visiting – we hope you will enjoy your Pershore plum experience.

Happy festival everyone and remember...

THINK PERSHORE, THINK PURPLE, THINK PLUMS!

Chair of the Pershore

History OF THE PLUMS

Pershore Yellow Egg Plum discovered in Tiddesley Wood by George Crooke, publican of Butchers Arms, Church Street.

George's son Thomas grew the distinctive plum which became widespread across Pershore.

Pershore Purple plum, formally known as Martin's seedling was created by Walter Martin from Drakes Broughton by crossing the Purple Diamond Plum with the Rivers Early Prolific plum.

The Pershore Purple Plum was planted and grown in preference to the Victoria plum because of its natural resistance to Silver Leaf disease.

During the food shortage during World War One Pershore fruit and plums were transported by train throughout the country.

BEAUTIFUL HOLIDAY HOMES SET AMONGST SIX LAKES

The Springs is a wonderful Holiday Park in the heart of Worcestershire. The Park is conveniently located near the market town of Pershore which sits on the banks of the River Avon at equal distance (6 miles) from Evesham and Upton-upon-Severn.

The Vale of Evesham location is a fantastic feature because it offers so much in the way of natural beauty, activities and attractions. Pershore itself has a rich history, hosting lots of cultural and traditional events throughout the year, such as the Plum Festival.
